Vintage Conditions

The Cabernet Sauvignon for this wine was sourced from premium growers and from Saltram's own vineyards in the Barossa region of South Australia. The 2002 Barossa vintage was preceeded by a cool-mild summer, which led to a vintage of exceptional quality, especially so for Cabernet.

This wine was fermented in traditional style small batch open topped fermenters for up to ten days before being pressed off skins and racked into new and seasoned French and American oak barrels.
