

SALTRAM

Mr Pickwick's Tawny Non Vintage

Mr Pickwick's is widely regarded as one of Australia's definitive tawny styles. Its average age of more than 20 years makes it unique among fortified wines consistently available on a commercial basis. Mr Pickwick's has the softness and mellow spirit that can only come from great age, premium base material and the very best in fortifying spirit - in this case, old brandy.

Winemaker Comments

Vineyard Region

Barossa Valley

Vintage Conditions

Mr Pickwick's is a non-vintage blend to ensure consistency with each release.

Technical Analysis

Harvest Date Ongoing

pH 3.39

Acidity 6.75g/L

Alcohol 19.0%

Residual Sugar g/L

Bottling Date Ongoing

Peak Drinking Mr Pickwick's is blended to drink on release but can be kept for consumption after opening.

Grape Variety

Shiraz

Maturation

Matured in a variety of oak barrels including large format oak vats.

Colour

Pale amber brown, suggesting great age and complexity.

Nose

On the nose there are complex fruit and rancio qualities. The concentrated, mature nose has a freshness and lift belying an average of more than 20 years.

Palate

On the palate the wine is intense and concentrated and quite luscious, with a great richness, texture and mouthfilling flavour. Its excellent and mature spirit add to the depth and intrigue presented by such old, rare tawny.
